Welcome

CAPITOL ANGUS

DEAR FELLOW CATTLEMEN,

On behalf of the DuVall family, thank you for your interest in our 2026 Bull Sale at Capitol Angus Ranch. Northeast Texas is enjoying an outstanding year, with timely rainfall, abundant seasonal grass, and a strong cattle market that continues to reflect steady demand for quality beef cattle. In an environment like this, we remain committed to a clear and consistent goal at Capitol Angus: producing good-footed bulls with correct phenotype, superior growth genetics, and elite marbling and carcass merit.

This year's offering is backed by a proven and performance-driven sire group, including Kingston, Deadwood, Premium, Headstart, Guardian, and others. A large portion of this year's sale offering is sired by Rhoades Doc Dre 2001, an exceptional herd sire prospect that weaned at 900 pounds on nothing but grass and milk. Doc Dre was the top-selling bull in the 2023 Rhoades Ranch Bull Sale in Cambria, California, commanding $90,000. His first sons are everything we had hoped for—deep, thick, athletic, and powerfully constructed, with muscle, growth, and top-tier marbling genetics. We believe they will make a strong impression.

Each year, our donor pen is defined and strengthened by the success of progeny sold in previous sales. These selection pressures continue to shape a donor group that consistently produces a uniform set of thick, deep-bodied, good-footed bulls with competitive carcass value. Capitol Angus bulls are bred and developed to perform in the real world—where the market rewards pounds, soundness, and carcass quality. We believe the calves sired by these bulls will be market leaders and bring lasting value to any commercial or seedstock operation. Our program remains centered on building deep, thick-made bulls with sound feet and fertility, all backed by our confident one-year guarantee against breeding injury.

The Capitol Angus sale offering will be available for viewing anytime between now and sale day, November 14th. We invite you to join us sale day for a Texas BeefHouse-sponsored meal and a market-driven auction featuring an outstanding set of bulls.
